Your Way
Transform any fabric into the perfect embellished treasure.

Be extra unique. Create your own one-of-a-kind die.

Because you're unique, your designs should be, too. When you need a die design for your Big Shot Pro Machine that you can't find anyplace else, we can custom create it for you – and that's not just for quilting and appliqué. We've made thousands of exclusive dies from our customers' original artwork, including dies depicting mascots, logos, cards, invitations, envelopes, bags and boxes ... just to name a few! Our experienced Custom Die designers can assist you every step of the way. Ready to get started?
